

Welcome to the 2022 Mid-America Homeschool Hoops Classic. This year's event, which is our 2nd annual, has teams from six different states in six different divisions. Our goal in hosting this event is to bring together teams from across the region that might not normally get to compete against each other. In addition to providing unique matchups and high-quality competition, we are especially proud to hold our event at the amazing Speedway facility, one of Lincoln's premier basketball facilities. We hope all our participants enjoy this year's event, and consider making the MAHHC a fixture on your schedule. Below you will find all the details for this year's event. Best of luck!

SCHEDULE:

Games are to start at 2:00PM (doors open at 1:15PM) on Friday January 14th, with our last game ending at approximately 9:15PM. Please be out of the building no later than 10:00PM. On Saturday January 15th, games start at 9:00AM (doors open at 8:15AM). Our last games of the day will finish by 5:45PM. The schedule should be released on Monday January 3rd. Please let us know if you have questions.

GAME FORMAT: High School games will have 8 minute quarters. & 4-minute overtimes. Junior High games will have 6 minute quarters & 3-minute overtimes. All Games will have 1 minute between quarters, 5-minute halftime, & 15 minutes between games. If we run behind we will compress the time between games. If we are running ahead, games start at the originally scheduled times to allow all players, coaches, and fans to be present. This should allow ample time for teams to clear out before the next game's teams attempt to warm up. A running clock will be implemented for the remainder of the game if one team is up by 40 points at any point in the game. The clock will stop at all timeouts. Each team will have three full and two 30-second timeouts. The Junior High A Bracket will use a 29.5 sized basketball, while the JHB B Bracket will use an 28.5 Intermediate basketball, unless both teams agree to something different prior to the game.
