GAME RULES:

*Junior high boys and junior high & high school girls will use a 28.5" ball and high school boys will use a 29.5" ball.

*Junior high teams will play 6-minute quarters and high school teams will play 8-minute quarters.

*Time between games will be 10 minutes and halftime will be 5 minutes. Times between games shall stay the same unless the game is running 15 or more minutes behind schedule. **Only then** may times be shortened to 8 minutes between games and 3 minutes during halftime. Additional time may be added between games to ensure no games start more than 10 minutes early.

*Each team will begin the game with three (3) full and two (2) 30 second timeouts.

*Overtime will be three (3) minute periods and each team will have one (1) timeout; no timeouts can be carried over. If the game is still tied after two overtimes there shall be a one (1) minute break, after which there shall be a jump ball and play will go into "sudden death" overtime, with the first team to score winning the game.

*At any time in the 4th quarter (and only in the 4th quarter) if a team is 30 points ahead, there is to be a running clock for the remainder of the game. The clock stops only for timeouts and injuries.

*Every team needs to be at their assigned gym 15 minutes before their scheduled starting game time, suited up, and ready to play.

*For player safety, no basketballs will be allowed to be dribbled along the sidelines during games.

*For protection of the facility, no basketball (or any ball) dribbling or passing will be allowed at any time outside of the gyms.

*Only players with immediate upcoming games are allowed on the court.

*Teams, please meet at center court prior to the start of the game to pray together with the home team responsible to lead.
